Board Plan (Assumes board cost plus any applicable Idaho State sales tax)

Pricing is per term. Freshman and Sophomores living in the Residence Halls are required to purchase Plan A, Plan B or Plan C each term (Plan D is for Juniors and Seniors or off-campus students) Students can tailor meal plan to accommodate the additional 6 weeks for the combined Winter/Spring term. For health, safety and other reasons, ACI expects that all residential students (including those in The Village Apartments) participate in a board plan.

In order to address the need for increased flexibility for upper-class students, Juniors and Seniors only, are eligible to participate in the \$250 per term cash plan should they wish not to participate in the other Board Plans offered. Because the 2003/04 academic year is transitional for this policy, seniors for 03/04 and those living in the rental houses will be exempt.

Meal Plans cannot be cancelled after first week of term.

Account Payment Options

Option 1	Payment for the entire academic year in full by cash, check, or most major credit cards.
Option 2	Payment per term by cash, check, or most major credit cards.
Option 3	Interest-free monthly payment plan administered through Tuition Management Systems. All Albertson College monthly payment plans are required to be handled through TMS.

The Interest-Free Monthly Payment Option

Our Interest-Free Monthly Payment Option, offered in partnership with Tuition Management Systems, Inc., is an alternative to large, annual or semester payments and helps limit borrowing. The Interest-Free Monthly Payment Option is available for only a small enrollment fee of \$65 per year or \$55 per term and includes: convenient, interest-free monthly payments; life insurance coverage for your payment balance; 24-hour, toll-free automated account information through Family InfoLine; personal account service Monday through Saturday; full, interactive access to account information through the TMS website, <http://www.afford.com/>; and eligibility for one of eight annual \$1,000 Tuition Management Systems Scholarships.

INTEREST CHARGES

Albertson College charges interest at 1.5% per month on all unpaid balances (does not include accounts on monthly payment plan option) over 30 days. Interest will be added to student accounts on the 10th of each month. Albertson reserves the right to withhold transcript requests for students with unpaid student accounts. This includes balances that are the result of a delay of loan funds or external scholarships or any account not handled through Tuition Management Systems.

STUDENT PRIVACY ACT

Federal law prohibits release of academic or financial records, even to parents, without the student's consent for students over 18 years of age.

REFUNDS FOR WITHDRAWAL

Refunds are calculated when an official course withdrawal form is filed with the Registrar's Office or when a student notifies Student Financial Services of intent to withdraw. The official date of withdrawal is considered the day Student Financial Services receives notification of intent to withdraw or the last day the student attended class. The refund is determined from this date and is calculated per the Federal Refund Calculation guidelines. Refund rates are adjusted to accommodate the differing lengths of the two terms (i.e., fall term is 13 weeks in length and winter/spring term is 19 weeks in length). Federal aid is refunded (returned to the federal programs) in compliance with federal regulations.

Institutional charges and institutional aid for the two terms are refundable for official withdrawals as follows:

First Term (Fall Session)		Second Term (Winter/Spring Session Combined)	
Date of official withdrawl	% refundable charges paid	Date of official withdrawl	% refundable charges paid
Week of Term	%	Week of Term	%
1 st	100	1 st	100
2 nd	87	2 nd	90
3 rd	79	3 rd	85
4 th	71	4 th	80
5 th	61	5 th	75
6 th and 7 th (includes break week)	54	6 th and 7 th (includes break week)	69
8 th	46	8 th	65
9 th	No refund	9 th	60
		10 th	54
		11 th	49
		12 th	43
		13 th	No refund

(If student withdraws during winter session and does not attend any of the spring session, winter refund is based on part-time status and scholarships do not apply)

LEAVE OF ABSENCE

To maintain continuing student status, students must be continually enrolled with no interruption in terms unless a student files for a Leave of Absence. Up to two academic years (first and second term) may be omitted if a student files a completed official Leave of Absence (LOA) form signed by:

- the advisor
- the Vice President for Academic Affairs
- the Dean of Student Affairs
- the Director of Student Financial Services
- a Student Service Representative

When returning to Albertson College within the appropriate time frame, a student on an approved LOA will continue under the catalog and tuition rate in place (plus any increase) at the time the student left. If returning after the LOA expires, the student will be subject to the catalog and tuition rate active the year the student returns. Laptop, mail center key and all library books must be returned at time of leave of absence in order for LOA to be approved.

\$1,950**"Strategies For Success" Program**

The Strategies for Success program was created in collaboration with the Lee Pesky Learning Center to help students with language-based learning disabilities develop the skills needed for academic success.

Once a student enrolls in the program, they will meet with an educational specialist for one hour twice a week for one-on-one instruction. The sessions include instruction in the student's learning deficit areas (such as dyslexia) and assistance with college course requirements. An educational assistance plan is constructed to address the deficit areas, which have been identified through testing. Progress is evaluated through pre- and post testing in addition to ongoing academic review. Communication with the student's professors is an integral part of the educational assistance plan and is arranged as needed.

The Strategies for Success program is limited to 10 students per year and the costs are outlined as follows:

Skill Development (2 sessions per week)

Fall Term	\$2,232
Winter Term	1,116
Spring Term	2,232
Year Total	\$5,580

Skill Maintenance (1 session per week)

Fall Term	\$1,116
Winter Term	\$558
Spring Term	\$1,116
Year Total	\$2,790

Psycho-Educational Evaluation

up to \$1,400 (one time cost)

NON-ACADEMIC STUDENT PETITIONS

The non-academic student petition process is the vehicle by which students may petition for reimbursement of fees, waiver of the freshman residency requirement, or to be released from the Residence Hall Agreement. The Student Affairs Committee on an "as needed" basis reviews non-academic student petitions. However, in some instances, the committee may defer judgment to the Dean of Student Affairs. Non-

academic student petitions are available in the Office of Student Affairs.

Students submitting non-academic petitions are responsible for providing any and all documentation requested to evaluate the petition. No action will be taken on a petition until the student has provided all necessary documentation and/or authorized the release of information.
